

**CITY OF HUNTINGTON BEACH
PUBLIC WORKS COMMISSION
REQUEST FOR ACTION**

Item No. PW 08-34

SUBMITTED TO: Chairman Rivera and Members of the Commission

SUBMITTED BY: Travis K. Hopkins, PE, Director of Public Works

DATE: November 19, 2008

SUBJECT: Advertise Sewer Lift Station #24 Rebuild; CC-1277

Statement of Issue: Plans and specifications for Sewer Lift Station #24 Rebuild; CC1277, are in final preparation. Staff requests recommendation of this project to the City Council.

Funding Source: Funds are budgeted in the Sewer Service Charge Fund, Sewer Lift Station 51189001. The engineer's cost estimate for this project is \$1.7 million for the construction of Sewer Lift Station #24.

Recommended Action: Motion to recommend to the City Council Sewer Lift Station #24 Rebuild, CC-1277.

Alternative Action(s): Deny approval and recommend an alternate action.

Analysis: Sewer Lift Station #24, the Edwards Sewer Lift Station, was originally constructed in 1968. The existing lift station is located at the intersection of Edwards Street and Balmoral Drive in the southwest part of Huntington Beach.

Sewer Lift Station #24 is demonstrating signs of deterioration, due to age and proximity to the marine environment and is in need of replacement. The project will abandon the existing lift station and force main and replace it with a new lift station and force main.
